Camp Romimu All Year Long!!!!???

A massive movement has begun. Thousands of boys have banded together with just one thought in mind. Camp for ten months and school for two months! The rallies, parades and banners have made news breaking headlines. Everywhere you go the chanting becomes louder and louder...

Sounds like fiction??? Sorry, but it is. Camp Romimu is still only two months - but read this newsletter and look forward to the GREATEST TWO MONTHS EVER!!!!!!

Come see what's new and exciting for this coming year. The new upgrades to camp this year are truly breathtaking and all encompassing. The year will fly by and before you know it, you'll be packing your suitcases!!

Awesome Triplex Basketball

Two years ago, Camp Romimu cleared a huge area of woods for three professional football fields. The fields have been so popular with campers and is now one of their favorite activities. The fields were named "Triplex Football" and are now an integral and popular part of camp.

Camp Romimu is pleased to announce that this summer we will IYH have TRIPLEX FOOTBALL! TRIPLEX BASKETBALL! and TRIPLEX VOLLEYBALL! That's three TRIPLEXES!!! Camp Romimu is clearing the forest and installing three NBA regulation sized basketball courts with professional paving. The courts will have night-time lighting for use during night leagues. They will also have tempered glass backboards with a pro-style look, 180-degree and breakaway action rims. Campers will now be able to enjoy an invigorating game of basketball both by day and by night. The three courts will be grouped together, which is perfect for basketball tournaments. The football tournaments on the Football Triplex have been a big hit. This summer we are looking

forward to basketball tournaments on the new Triplex Basketball courts.

Triplex Volleyball

Our current triple court which has two basketball courts and one volleyball court is now becoming the VOLLEYBALL TRIPLEX! There will be three beautiful regulation sized volleyball courts with professional netting. The courts will be resurfaced and upgraded to three adjoining volleyball courts. The Volleyball Triplex will be an area of fast-paced, fun volleying and terrific camaraderie as our campers and staff enjoy some fantastic volleyball games and, of course, volleyball tournaments.

Hockey Anyone??

Hockey is certainly one of the favorite activities in Camp Romimu. The court at the entrance of Camp Romimu, affectionately known as "The White Tub," was the original hockey court with a professional fiberglass board system. The White Tub was so popular that, over several years, Camp Romimu installed three additional tubs: The Blue Tub, Madison Square Garden (MSG) and Nassau Coliseum.

Well, you asked for it...you got it!!! Camp Romimu is proud to announce that we will be adding another hockey "Tub" to our unbelievable array of fields and courts. This year, Camp Romimu will be completely renovating the hockey court near the gym! Once again, Camp Romimu will be installing professional fiberglass hockey boards and will be resurfacing the court to bring it to a whole new professional level. So get your hockey sticks ready (and of course – don't forget your helmets!) Hockey anyone???

New! New! New!

What else is new this summer. The list keeps growing and growing!

Our football fields have become more and more popular every summer. Campers love to don their flag football belts and engage in an exciting competitive game of football on our four beautiful football fields. This year Camp Romimu will have an additional beautiful football field located right next to the gym! It will feature professional line markings and will be the site of some unbelievable football games!

Everyone agrees – our County Baseball field is, well, simply awesome. It is known as the best baseball field in the frum camping world. Remember all those great intercamp games on the field. Well the great County

Stadium is about to have more company! The baseball fields behind the bunkhouses are getting a whole new look this year! There will now be two beautiful intermediate sized baseball diamonds. New infield and new clay baselines will provide the look and feel of a professional game. Campers will enjoy some amazing league games on these two magnificent fields.

Our go-kart activities are a huge success! Campers love to race around our new track, making hair-pin turns and speeding through its twists and bends. The karts, each emblazoned with ROMIMU on its front, are a wonderful sight as they line the go kart track. This year, campers will enjoy the track even more, with the installation of new track barriers with professional spring activation. "This is an amazing innovation," exclaimed Rabbi Pfeiffer. "This will take the go karting track to a whole new level. The drive will be more exhilarating and fun, while also increasing the safety standards of this popular activity."

Camp Romimu prides itself with the best and most geshmake learning program. Having rooms that are comfortable and roomy for our campers allows for a successful learning shiur. Rabbeim enjoy the air conditioned, clean, spacious rooms and campers get a real geshmake from the inspiring shiurim. Camp Romimu is happy to add two new shiur rooms to our Learning Center.

Bunks! Bunks! Bunks! Camp Romimu is always improving the bunks. Our beautiful, air-conditioned bunks are the talk of the Catskills. This year, Camp Romimu is renovating more bunks and adding more bathrooms to the famed "round bunk." Campers will be amazed at the new state-of-the-art bunks. Wow!

Breaking News at the Lake!

Last year's installation of a lakefront aqua park was a huge success. Campers could not get enough of the slide, blob, catapult swings, balance beam and monkey bars. The lake was always a busy place. Under the watchful eyes of our wonderful lifeguard staff, campers were climbing over and around the aqua park and having an amazing time aqua cycling, tubing on the banana boat and the "burger" and

kayaking. Campers loved the beautiful new lakefront that was renovated last summer.

This summer we will IYH be expanding the lakefront area and installing a special dock to make it easier to get to the ever-so-popular aqua park! In addition, we will be having **van transportation** up from the lake for our very tired and happy campers after the activity is over. One of our Gimmel campers exclaimed, "Wow – Camp Romimu is awesome. I love the lake and it will be way easier to get back to my bunkhouse now!"

Spotlight on the Two Day Trip

Camp Romimu's two-day trip is one of the amazing highlights of the summer. As the beautiful coach buses circle the hill at Camp Romimu's entrance, excitement mounts as campers and staff prepare for an amazing two days of awesome and exciting activities. Every year, Camp Romimu chooses a different destination, exploring the Gadlus HaBoreh of the great and scenic outdoors, tasting the thrills of high adventures and the camaraderie experience by spending two action-packed days with friends.

This past summer's trip was to beautiful Niagara Falls in Canada! What fun! Campers loved Maid of the Mist and Cave of the Winds. Jetboating at the Falls was a super soaker! The ropes course was uplifting! The night-time water park was wet, wild and fun! Skyzone was exhilarating! Nightmare Fear Factory was scary! "The two-day trip is a wonderful opportunity to cement the relationships that campers and staff have forged the entire summer," remarked Rabbi Kuessous, head counselor. "But most of all it is plain and simply – loads of fun!!"

Likras Shabbos Back in Full Swing

Camp Romimu is once again running our famous Likras Shabbos Program during the year. Last year's program was a huge success, with hundreds of boys learning Torah in shul right before Kabbolas Shabbos. Campers won wonderful prizes such as gift certificates from Amazon, ice cream in the canteen, raffles for basketballs and drones, and the ever popular twice-a-summer deluxe barbecue at Rabbi Pfeiffer's house in Camp Romimu. What fun! This year's Likras Shabbos is in full swing. Campers have the opportunity to welcome in Shabbos in a very special way – learning Torah! Come and be part of the excitement! For more information go to www.romimu.com/shabbos.

Well, Camp Romimu isn't ten months a year – no matter how many rallies and parades may be organized. But the memories and fun sure last for the entire school year. We can't wait to see you this summer!
