Dear Parents and Rom V'Nisah Bochrin,

We are very excited about our very popular Camp Rom V'Nisah. Rom V'Nisah bochrin enjoy a full league schedule, quality learning groups with Mesivta level rabbeim, more trips, many more intercamp sports, more workshop choices and very unique sports clinics. Bochrin are able to be a part of our optional Rom V'Nisah Wilderness Extreme trip. And, of course, having Gedolim and guest speakers address Rom V'Nisah is a real privilege for the bochrin.

Rom V'Nisah bochrin daven in their own shul with their Program Head and Rebbi, as well as eat in the dining room on a separate schedule from the rest of the camp. The program is geared to boys who are responsible Bnei Torah who will grow into staff positions.

There is a **limited** number of places for this program and it will be on a first-come-first-serve basis. We reserve the right not to accept applicants if we feel they will not fit into the program.

Special Masmidim Option

Rom V'Nisah bochrin have the option of joining our Rom V'Nisah Masmidim Program. The Masmidim Program is geared for bochrin who are interested in having a more intensive learning program during the summer. Bochrin will be part of the Rom V'Nisah Program, but have a longer seder in the morning and afternoon. They will enjoy learning with a top notch Mesivta Mechanech. The learning will take place in a beautiful, fully renovated, air-conditioned shiur room. The boys will be learning from after breakfast until the first morning activity begins. In the afternoon, the bochrin will join the rest of the Rom V'Nisah Program and participate in the programs, leagues, trips and workshops that are unique to Rom V'Nisah. The Masmidim's afternoon learning group will take place during rest period. In the evening, the bochrin will participate in the Rom V'Nisah night leagues and night activities and after Maariv they will participate in the Rom V'Nisah night seder. The bochrin who are in the Masmidim Program will not be a separate bunk, but will be integrated into bunks with their camp friends.

It should be stressed that the masmidim program is geared for bochrin who are motivated and are serious about their learning. בייה, the program has generated much interest. We are sure that, אייה, the bochrin will shteig during the summer and that this program will be a tremendous Kiddush Hashem. Please indicate on the application form whether you are interested in participating in the Masmidim Option of our Rom V'Nisah Program.

Sincerely,

Rabbi Shlomo Pfeiffer
Director
