We are very excited to launch registration for a fabulous summer in Camp Romimu! We are already in full swing making plans, designing buildings, strategizing and planning trips and amazing programs. So come with us and take a sneak preview of some of the new additions for Camp Romimu this summer!

PICKLEBALL COMES TO CAMP ROMIMU

It's the latest sports hit! Pickleball is a combination of tennis and ping pong and is a competitive and social game that requires energy, laughter and fun! Pickleball has exploded in popularity across the country and now it is coming to Camp Romimu! This year Camp Romimu is pleased to add to our huge array of the most beautiful courts and fields - the first in the frum camping world - three brand new pickleball courts. Campers will enjoy the fun volleys and friendly pickleball competitions and tournaments. So get ready for a whole new dimension of sporting fun in the best and most innovative camp in the world!

TRIPLEX SAND VOLLEYBALL COURTS

The new basketball, volleyball and tennis courts were a huge hit last summer. The boys enjoyed the comfortable bleachers and professional lighting. The sand volleyball court behind the pool has always been loads of fun! Tons of laughter and amazing volleys are enjoyed in a beach-like atmosphere! Now Camp Romimu is happy to expand to a triple sand volleyball court. Now three games can be enjoyed at once, fostering loads of competitive fun! The new volleyball courts will feature top-notch, professional lighting, top-of-the-line netting and a comfortable sand bedding. So get ready... one...two...three - Let's play!!!

SECURITY ADDITIONS

The safety of our campers and staff is always a top priority at Camp Romimu. Our staff and campers are family to us and we always want to make sure that everyone is secure and comfortable. After consultation with top experts in the security field, Camp Romimu will be adding a complete fencing and gate system to the entire front area of camp, and adding a sophisticated intercom system inside each bunkhouse. In addition, we are installing a brand new lighting system to the entire entrance area of camp. In this way, we will, with siyata d'shmaya, keep everyone safe and happy in Camp Romimu.

BUNGALOWS! BUNGALOWS!

Camp Romimu is very proud of our state-of-the-art bunkhouses and bungalows. Paneled walls, porcelain floors, built-in beds and plenty of cubby space all create a cozy home away from home feeling. This year we will be adding several brand new bungalows. Each bungalow will feature air conditioning and heating and will be a comfortable setting for our amazing staff.
